

Southeastern Safety/Security Healthcare Council
March 3, 2017

Dear Professional Partners,

The 13th Annual Joint Conference of the Southeastern Safety/Security Healthcare Council and the North and South Carolina Chapters of the IAHS will be held August 27-30, 2017 at the Hilton Myrtle Beach Resort in Myrtle Beach, South Carolina. The "Council" has a long and rich history of providing educational and networking opportunities for healthcare security, safety, risk management, engineering, and emergency management professionals from the Southeastern United States and beyond.

I would like to request that you consider joining us this year as a product representative. Not only does the Council have a reputation for providing quality education to our members at an affordable cost, we are also known for partnering with many product representatives to provide an event where members are exposed to industry leading technologies in an environment that is more conducive to learning, asking questions, and building lasting relationships.

The exhibit fee this year is \$600, which includes one table, two chairs, table drape, along with one daily buffet breakfast per representative and a 2017 Membership in the Southeastern Safety/Security Healthcare Council. **Space is limited so sign up early to ensure a spot.**
