2021 COVID-19 Policy

Participants agree to follow COVID-19 safety protocols throughout the SSSHC Annual Conference, Exhibition, and any ancillary events. Protocols as directed by Hilton Corporation may include, but are not limited to:

Frequent hand sanitization and Face coverings: We ask that you follow all local guidelines and laws with respect to wearing a mask in indoor public areas. In the United States, masks are now optional for our guests and Team Members who are fully vaccinated. We ask that those who are unvaccinated continue to wear a mask indoors and practice social distancing.

SSSHC reserves the right to change or modify these guidelines at any time, in accordance with CDC, state or local health justifications and/or Hilton Corporation. SSSHC reserves the right to cancel the registration for those who refuse to follow identified protocols.

To stop the spread of COVID-19, do not attend the in-person events if you are not feeling well; have had close contact with an individual infected with COVID-19 in the last 14 days; or are currently experiencing fever, cough, shortness of breath or other signs of illness.

Rules for SSSHC Conference

Vendors

- Please refer to face covering protocols above and we encourage the use of masks and frequent hand sanitizing as way to prevent the spread of communicable diseases.
- No vendor handouts allowed – please plan to email information to interested attendee's
- Only one participate (attendee) at a vendor table at a time. Please encourage attendees to maintain social distancing.
- Door prizes are allowed and should be maintained without attendees handling items.
- Please. No candy dishes or other giveaways that are not individually wrapped and handed directly to a person.

Vendors and Attendees

- Masks are recommended to be worn by participates in the vendor area and the meeting room (until seated).
- We are asking that masks be worn in the buffet lunch line and snack areas. The Hilton Hotel Team will be serving the food while gloved and masked.
- Must follow S.C. restriction at the time of the Conference Activities
- Social Distancing in all areas is expected, and we ask that all attendees and vendors support this directive.

Speaker BIO's:

Jason Cansler, COO and Cofounder UASideKick

Jason Cansler Serves as UASidekick's COO and Cofounder. He is also a General Aviation Private Pilot, UAV Part 107 Pilot with night flight authorization and is also one of the original FAA 333

Waiver Holders. Jason joined the UAV revolution in 2015 by starting the aerial imaging company Under the Sun Imaging LLC but the passion started 30 years prior with his first RC plane flight as a teen.

Jason brings to UASidekick, more than 15 years of civil design and regulatory compliance management for projects totaling over half a billion dollars. Jason has helped build several organizations including a successful sport angler software company and a safety consulting consortium. In addition to project development and startup management, Jason has accumulated over 13 years of experience in the security field including 6 years as a decorated reserve law enforcement officer, 2 years as a State Constable and 5+ years as armed security officer. Jason sits on the board for the Coalition of UAS Professionals and is an ASIS member where he actively consults various industries on the inclusion of UAV's into their workflow.

Capt. William (Bill) Burns, Charlotte Fire Dept.

William Burns is a captain and a 30-year veteran of the Charlotte Fire Department. Captain Burns has been involved in the department's Critical Incident Stress Management Team for

over 20 years and for 12 years he has been the coordinator of the CFD CISM team.

He is the lead chaplain for the department as well as a long-standing member of the Fellowship of Christian Firefighters. Captain Burns received a Master of Divinity from Gordon Conwell Theological Seminary.

Captain Burns has recently begun working with the Metrolina Healthcare Preparedness Coalition as their assistant CISM coordinator.

Captain Burns is married and has two children. For the last 27 years Captain Burns has coached high school wrestling. He has competed in and won the Police and Fire Olympics in wrestling.

Captain Burns spent over two years working on a paramedic ambulance for Gaston EMS prior to coming to Charlotte Fire.

Jim Kendig, Field Director – Joint Commission

James Kendig, CHSP, CHCM, HEM, LHRM
