Speaker BIO's:

K.C. Allman

K.C. Allman

Special Agent
United States Secret Service (USSS)
Critical Protective Analysis Group
(CPAG)

Special Agent K.C. Allman is an agent assigned to the Critical Protective Analysis Group (CPAG). He started his career in law enforcement as police officer with the Athens-Clarke County, Georgia Police Department, worked as a Special Agent with the Georgia Bureau of Investigation (GBI) assigned to the Savannah Regional Drug Enforcement Office, and retired from the U.S. Secret Service with almost 25 years of service in a variety of assignments. During his Secret Service career, he was detailed to the National Counterterrorism Center's Special Events Group (NCTC/SEG), the FBI's Joint Terrorism Task Force (JTTF), and the International Law Enforcement Academy (ILEA). He finished his career as an Inspector in the Office of Professional Responsibilities Inspection Division and shortly returned as a rehired annuitant. As a member of CPAG, SA Allman assists in teaching Terrorism Trends and Tactics for Secret Service personnel and has also provided numerous briefings to federal, state, and local law enforcement entities. SA Allman holds a bachelor's degree in Criminal Justice and a minor in Russian Language and Culture from the University of Georgia.

Eric Roberts

Orlando Health, Inc.

Eric Alberts is a dedicated Emergency Manager who is passionate about the field he works in and protecting those he serves. He began his career in Emergency Management in 2002. Eric has responded to emergencies of all different types and sizes to include: a terrorist attack, 5 hurricanes, tropical systems, a special communicable disease, pandemic, a shooting in a hospital, severe weather, wildfires, multi-type vehicle accidents, mass casualty incidents, etc.

He is currently the Corporate Director, Emergency Preparedness for Orlando Health, Inc. healthcare system in Central Florida. Eric obtained his BS degree in Criminal Justice from Fairmont State College in West Virginia.

Eric is certified as: Certified Emergency Manager (CEM), Certified Emergency Disaster Professional (CEDP), Certified Healthcare Emergency Professional (CHEP), Florida Professional Emergency Manager (FPEM), Florida Professional Emergency Manager – Healthcare (FPEM-HC), Certified Homeland Protection Professional (CHPP), and Emergency Management Specialist (SEM). He also has achieved the Master Military Emergency Management Specialist (MEMS) & the All-Hazards Liaison Officer Specialist designation from the State Guard Association – MEMS Academy. Eric is also a member of the RDSTF AHIMT (Regional Domestic Terrorism Task Force All-Hazards Incident Management Team), and State of Florida Division of Emergency Management AHIMT as a Qualified Liaison Officer (LOFR).

Lisa Terry

Lisa Terry, CHPA, CPP

Vice President
Healthcare for Allied Universal®

Lisa Terry, CHPA, CPP has significant experience in healthcare security and police management. Lisa currently serves as the Vice President, Healthcare for Allied Universal®. Prior to that she served as Director of Hospital Police and Transportation at the University of North Carolina in Chapel Hill.

Lisa has served as the Chief of Campus Police and Public Safety with WakeMed Health and Hospitals in Raleigh, North Carolina, and Chief of Police and Public Safety with Eastern Virginia Medical School in Norfolk, Virginia.

As vice chair of the ASIS Healthcare Community Steering Committee, the 2021 GSX Presentation Selection Committee Chair and as a former president and guidelines council member of IAHS, Lisa has been fortunate to collaborate with some of the country's greatest minds in healthcare, security, and policing. She shares her knowledge, strategies, and lessons learned for successfully preventing and mitigating violence in her books: "Preventing Violence in the Emergency Department" and "The Active Shooter Response Toolkit for Healthcare Workers."

Speaker BIO's:

Robert Whiteside

Robert Whiteside, CHPA

Robert B. Whiteside, CHPA served in U. S. Army Military Intelligence before then beginning a career in law enforcement with the Jackson Police Department in Jackson, Mississippi and then later beginning a career in Healthcare Security Leadership. Robert has served as Healthcare Security Director for Pardee Memorial Hospital in Hendersonville, NC, Mission Health in Asheville, NC, and Duke University Hospital in Durham, NC. Robert is an active member of ASIS and IAHS. Robert shares his knowledge and passion for the subjects of leadership, patient-centered security services, and other related Healthcare Security topics on various forums as well as his blog: <https://conflictransformation.blog/>
<https://www.linkedin.com/in/robert-b-whiteside-chpa-21444b19/>

Joseph Buckley

Joseph Buckley

CRT
President
John E. Reid and Associates

Joseph P. Buckley III is a forensic interviewer, detection of deception examiner, lecturer, and consultant.

Mr. Buckley is President of John E. Reid and Associates in Chicago, Illinois. He has been with the firm since 1971.

He is co-author of four books - The Investigator Anthology; Criminal Interrogation and Confessions; Essentials of The Reid Technique, and A Field Guide to The Reid Technique, as well as numerous articles and papers. He is a contributing author to The Encyclopedia of Police Science and the Encyclopedia of Security Management.

Mr. Buckley has lectured extensively to law enforcement, government, business groups and school administrators.

Stephen "Steve" Smith

Stephen "Steve" Smith

Special Agent
North Carolina State Bureau of
Investigation
Criminal Enterprise Investigative
Unit

Born and raised in Southeastern North Carolina, Special Agent Stephen "Steve" Smith graduated in 1999 from the University of North Carolina at Wilmington with a B.S. in Criminal Justice. Special Agent Smith served four years as a probation/parole officer with the State of North Carolina and in 2005 became a Special Agent with the North Carolina State Bureau of Investigation. Special Agent Smith's first assignment was narcotics in the Coastal District of the NCSBI. Special Agent Smith was the district's Marijuana Eradication Coordinator and served as Task Force Officer with Homeland Security during his time in the district. Special Agent Smith transferred to the Diversion and Environmental Crimes Unit (DECU) of the NCSBI in 2013. Special Agent Smith has investigated numerous cases both on the state and federal level in regard to drugs and environmental crimes. DECU was recently brought into The Criminal Enterprise Investigation Unit which encompasses DECU, Clandestine Laboratories, and Wiretap Investigations.

Special Agent Smith obtained his North Carolina Law Enforcement Teaching Certificate in 2010 and is an adjunct instructor for The Brunswick County Community College's Basic Law Enforcement Training program and teaches Subject Control and Arrest Techniques and Drug Diversion Investigations at the NCSBI Academy.

Speaker BIO's:

Jerry Cordasco

Jerry Cordasco, CPP, PSP, CDM

Tech Systems Inc., Professional
Services

Jerry Cordasco is a Client Development Manager with Tech Systems managing the Business Development efforts in the Northeast as well as Global Account Management. He was instrumental in the design and construction of Tech Systems' Fusion Center opened in mid-2016. Before his employment at Tech Systems, Jerry served for 10 years at G4S Technology where he held positions of VP Integrated Systems, VP of Operations, VP of Global Product Management and most recently CTO for G4S's Video Monitoring, Support and Data Center. Jerry designed, built and staffed this UL Certified and CSAA 5 Diamond Certified Security Operation Center, located just outside of Boston in 2008 and ran the business unit from that point until 2012 when he was given the position as the head of global product management for the AMAG Symmetry product line. In 2014 Jerry returned to G4S as CTO to take over the monitoring center and help develop more advanced cloud based and hosted solutions for video analytics and access control.

Jerry holds ASIS CPP and PSP certification. He has lectured and presented papers at conferences both nationally and internationally. He was a principal representative on NFPA Committees for the standards NFPA 72 and NFPA 731 and the guideline NFPA 730. He was also on the technical committee for UL's new Video Monitoring Certification, MDVO and he is a member of TMA (The Monitoring Association) and NENA (National Emergency Numbers Association). He has helped several enterprise level customers design, staff and certify their Security Operation Centers, particularly in the healthcare sector.

Jerry lives with his wife, Suzan, in Maplewood, NJ. He is an avid musician (drummer) and an NCAA Basketball fan.
